Joseph Corkin (Middlesex University London)

18:00 - 19:00 **Benedict Kingsbury** (New York University, School of Law)

Evening Dinner

The aim of the Barcelona Workshop on Global Governance is to provide a venue for the study of global institutions from an institutional and organization design perspective.

While most research on international organizations has viewed these entities as the platforms where states - the fundamental units - interact, this forum will focus on international governmental organizations (IGOs) themselves as the building blocks of global governance.

With the support of:

Fundación Ramón Areces,
Repsol, La Caixa, Ajuntament de Barcelona, Diputació de Barcelona, Generalitat de Catalunya

Practical Information

Venue:

January 15: Institut Barcelona d'Estudis Internacionals (IBEI):

C/ Ramon Trias Fargas 25, Barcelona – www.ibeil.org

January 16: ESADE: Edifici 3, Avda d'Esplugues 92-96,
